SANDWARRIORS

Reference Card

DOS INSTALLATION

1. Insert the Sandwarriors CD and select your CD-rom drive (usually D:).
2. Type 'INSTALL' at the command prompt and follow the instructions to install Sandwarriors and setup the sound card. When complete, exit and save the configuration for the changes to take effect.
3. Type 'SW' at the DOS prompt to run the Sandwarriors. Enjoy!

WINDOWS 95 INSTALLATION

1. Insert the Sandwarriors CD; click on 'My Computer' and double-click the icon for your CD-rom drive (usually D:).
2. Double-click on the install icon.
3. Follow the instructions to install Sandwarriors and setup the sound card. When complete, exit and save the configuration for the changes to take effect.
4. Go to the directory in which Sandwarriors is installed and double-click the SW_WIN95 icon to run the Sandwarriors.
